## Clery Act 2016 Campus Crime Statistics and Drug Free Schools Act

Compiled by:

Crystal Nitz, Financial Administrator

Reviewed by:

Holly Olin-Miller - Vice President

United States federal government, through the Clery Act, mandates the disclosure of certain crime statistics so that LAAFA students, employees and families can be educated about implemented safety and security measures and relevant crime statistics from January to December of 2023.

Please be aware that these are statistics for the most severe forms of crime. Students, faculty, and staff should always be vigilant about their personal safety and take care of their personal possessions. All reported campus crime statistics received through the LAAFA Incident/Injury Report system (crime figures) can be accessed by contacting Crystal Nitz, Financial Aid Administrator at [cnitz@laafa.edu](mailto:cnitz@laafa.edu).

Please also note that you can find more information in our [Safety Guide](#) and our [Emergency Action Plan](#) listed at the bottom of the homepage of the LAAFA [Website](#).

### **Campus Security and Incident Reporting**

If you need assistance, please see a member of the administration. We will give you directions on the next steps. Once we have responded to your immediate needs, we will ask you to complete an incident report form (found in the student portal) if you are a victim or a witness to the following situations:

Assault, Theft, Harassment, Property Damage, Injury, Car damage, Vandalism, or other injury, accident, or crime not stated but similar in nature.

Fill out the form as completely as possible, including any action taken because of the accident or incident. The Incident Report form should be filled out within 24 hours of the occurrence. If the incident or accident is life threatening, please call 911, and then contact the school at (818) 708-9232.

- All incidents will be investigated by members of administration and resolved within 30 days of occurrence.

- A follow-up with the victim will be completed to document anything that needs to be corrected.
- Any steps taken to assist or resolve the incident.

In case of serious injury, call 911 immediately. For injuries of a less serious nature, first-aid kits are located throughout the building. Contact the main office immediately for assistance. Your timely assistance and cooperation will allow LAAFA to become more responsive to emergencies and better able to establish procedures that ensure a safe and secure environment.

### **Anonymous Reporting**

If you would like to report an issue anonymously you can do so by completing an incident report (found in the student portal). This report may be submitted by mailing it to LAAFA Office of the President 16926 Saticoy St. Van Nuys, CA 91406.

Incident Reports, whether signed or anonymous, need to be filled out by students or employees who are victims or witnesses to the following situations: Assault, Theft, Property Damage, Injury, Car Damage, Vandalism, or other injury, accident, or crime similar in nature.

### **Campus Security Authorities**

The Clery Act requires the college to disclose statistics about certain crimes that occur within the college's Clery geography and are reported to the campus security authorities (CSAs). Under the law, CSAs include any individual identified by the college as someone to whom a crime should be reported; and any college official who has significant responsibility for student and campus activities. Individuals designated as CSAs or those who have these job functions receive annual training on mandatory reporting obligations.

Examples of LAAFA's CSAs include:

- Vice President
- Director of Admissions
- Director of Academic Affairs
- Registrar
- Financial Administrator

A designated CSA (campus security authorities) is not required to disclose confidential information concerning an incident, such as information that would identify a victim of a crime who wishes to remain confidential. The incident may be reported anonymously to be included in the college's Annual Security Report.

### **General Campus Access**

To meet program needs and accommodate work schedules, full time students may access the Campus facilities between 8:30am and 6:30pm, Monday – Friday. Campus is currently closed on the weekends. There may at

times be classes scheduled so that students must arrive before these open times, in which case, the students would be notified of arrival time availability ahead of time. (i.e., 8:30am start time – Students arrive no earlier than 8:00am).

Any person who fails to comply with access policies will forfeit the right to full access and may be limited to only being on campus for Class times per their corresponding schedule.

The Campus is open during Break periods between quarters by appointment only.

### **General Personal Safety Rules**

Throughout the areas surrounding the LAAFA campus, always be cautious and aware of your surroundings.

- There is safety in numbers. Walk in groups or use the buddy system, especially after dark.
- Walk briskly and know your destination. If you see a person who looks suspicious, change your path, or safely cross the street.
- Walk in well-lighted and well-trafficked areas. Avoid shortcuts that take you through alleys, past heavy foliage, or near other places where someone might be hiding.
- Do not walk while talking, texting, or otherwise looking at your phone/electronic device. This should be kept out of sight. You can easily become a target if someone sees what you have.
- Do not carry substantial amounts of cash. Do not wear expensive jewelry that draws attention to you. Carry bags, purses, equipment bags close to your body. Valuable things such as cameras and computers should be inside of a bag/out-of-site while traveling.
- Please lock your car in the parking lot before going to class. We are near Balboa Boulevard and Saticoy Street, from which people often exit and park in the school parking lot for a variety of reasons.
- If you ride a bike to campus, you must lock it to the bike rack by the main rear entrance.
- If you are ever approached by someone with a gun/knife/weapon demanding your wallet/purse/item of value, do not resist. Your life is much more important than anything that you might be carrying.
- To ensure each student's safety, shoes and proper attire must always be worn. Students determined by the instructor or the Administration Office to be a risk to themselves due to their attire may be asked to leave the classroom or studio by the instructor, or anyone in the LAAFA Administration.
- Learn and practice safe work habits.
- When using electrical equipment, make sure your hands are dry, and you are standing on a dry surface. Make sure electrical cords and wires have no breaks.
- Know emergency procedures, such as locations of Fire Extinguishers, the first aid kit, and the emergency telephone numbers.
- Please note the Paint Cleaning and Disposal Policy in the Safety Guide on the Homepage of the LAAFA website.

When you live in an urban environment, you need to establish a file with pertinent information that will help you if you ever are the victim of a crime. This should be kept in a very safe, locked, if possible, place in your home. Your file should contain the following.

1. Credit card/ATM/Debit card numbers and toll-free numbers to report lost/stolen cards.
2. The telephone number of your insurance agent (life, health, renters, vehicle, etc.)

3. Your license plate and vehicle identification number (VIN).
4. Your driver's license number
5. An extra set of keys
6. Your bank account number and the customer service number for your bank.

**Please note that while the school exercises great care about student safety, it is not responsible for personal injury occurring on the school property or at school activities. The school does not assume any responsibility for loss or damage to student property. Faculty and Administrators who accompany student groups on field trips and supervise activities cannot be held responsible for actions of students, injury, or Personal Safety and Security Awareness Education loss of private property.**

### **ICE (In Case of Emergency) Your Phone/Location Apps**

Enter a Contact into your phone, add it to the favorites list, with the acronym ICE. Include the name and phone number of a reliable person you can contact in case of an emergency.

You also may consider downloading a Locator App on your smartphone such as Life360. This will allow a trusted family member or friend to know your location in case of emergency.

### **Security Enforcement**

LAAFA Faculty/Staff have the authority to ask persons for Identification and to determine whether individuals have lawful business on campus. Any Criminal incidents will be referred to the local police who have jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report the crime to the LAAFA Financial Administrator or the Registrar, by calling (818)708-9232, or in person at the campus and to the local police agency by calling 911. Prompt reporting will ensure timely warning notices on campus.

### **Annual Disclosure of Crime Statistics**

The annual crime statistics report, included in the appendix section, details the reported crime figures for LAAFA's campus and is provided in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act.

The crime statistics report includes metrics for the previous 12 months concerning reportable crimes that occurred on-campus, and on public property. We have included a more comprehensive set of metrics from the LAPD for the entire West Valley jurisdiction. This report has a specified column for the data of 2023. While this includes the Campus of LAAFA, please remember that it includes crimes for a larger area.

The annual crime statistics report is primarily sourced from filed incident reports, conduct issue investigations, and pertaining to disciplinary referrals towards members of student body, altogether summarized and submitted by the Financial Administrator, with additional statistics supplied by the Vice President of Operations who oversees employee engagement and employment policies, and oversees campus security.

The crime statistics report is compiled by the Financial Administrator with data obtained from the CSAs listed above and includes reportable crimes as identified within the Federal Bureau of Investigation's Uniform Crime Reporting Handbook (UCR), with additional categories added pursuant to the Violence against Women Reauthorization Act of 2013.

A summary sheet of Clery Act crime definitions is included with the annual crime statistics report, found in the appendix section. The crime statistics report is prepared in cooperation with law enforcement agencies local to LAAFA Location, where local crime statistics data is available.

To request an individual hard copy of the campus crime statistics, please contact the Financial Aid Administrator.

### **Daily Crime/Fire Log**

LAAFA tracks any Crime or Fire incidents weekly. The Crime log contains a summary of Clery crimes and incidents reported to LAAFA. Reports received on the weekends or holidays are recorded in the log on the next business day. The log may be accessed for review by contacting the Financial Administrator.

### **Drug Free Schools Act**

LAAFA is a drug-free environment, and the College will not tolerate the manufacture, distribution, dispensation, sale, purchase, possession, offer to see, and/or use of any illegal drugs (as defined by the statutes of the state of California) including marijuana, in any LAAFA facility or at any official off-site LAAFA function. Any student found to have violated the Drug and Alcohol Policy will be subject to arrest and disciplinary action in accordance with the Personal Agreement.

### **Alcohol Use – Student Policy**

Except as otherwise provided in this policy, students are not allowed to possess or consume alcohol while on LAAFA Campus, nor are students allowed to possess or consume alcohol at official LAAFA sponsored events off campus. Violators are subject to the provisions set forth in the Code of Conduct.

Alcohol is permitted at LAAFA-Sponsored events on or off campus. At these dedicated events, alcohol may be served only by a bonded bartender. All students in attendance must abide by local, state, and federal regulations related to the possession and consumption of alcohol. California law prohibits the consumption of alcoholic beverages by persons under the age of 21. Underage drinking and public intoxication are unacceptable, and those who violate these standards will be subject to disciplinary action.

### **College Disciplinary Actions**

A violation of any law regarding alcohol and other drug use or possession is a violation of LAAFA's Student Code of Conduct and a violation of state and federal law. LAAFA shall conduct Student Conduct Review and Human Resources employee review as applicable in response to discovered violations.

### **Issues Pertaining to Registered Sex Offenders**

In accordance with the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, LAAFA is providing a link to the California State Sex Offender Registry. All sex offenders are required to register in the State of California and to provide notice of each institution of higher education in California at which the person is employed, carries a vocation, or is a student.

<http://meganslaw.ca.gov/>

In addition to the above notice to the State of California, all sex offenders are required to deliver written notice of their status as a sex offender to the Financial Administrator no later than three business days prior to his or her enrollment in the college. Such notification may be disseminated by LAAFA to, and for the safety and well-being of, the LAAFA community, and may be considered by the school for enrollment and discipline purposes.

### **Missing Student Policy**

To support the campus community and the students within the community, LAAFA has adopted a 24-hour missing person's policy for all full-time students. If a student is reported as missing, LAAFA officials will research and investigate in response to a missing student report. Additionally, a student may be reported missing at any time if there were unusual circumstances that would require immediate police investigation.

In accordance with the Higher Education Act, the following should be noted:

### **Emergency Contact Information**

During each open registration period all students intending to register for classes, for any subsequent term, will be given the opportunity to elect an emergency contact. Within 24 hours of the school being notified of a student missing, if the student is under the age of 18, the student's parents will be notified. If the student is over the age of 18, the student's designated contact will be notified.

### **Official Notification Procedure**

Any member within or outside the LAAFA community must notify the Financial Administrator or the Registrar by calling (818)708-9232 to report the missing student. The Administrator/Registrar, when notified, will work with other administration members by researching and investigating the information. The administration will attempt to contact the reported missing person by phone, from class, and/or by visiting the student's residence. If the reported missing student is not located or contacted (and it has been at least 24 hours or appears to have unusual circumstances) the Financial Administrator or Registrar will contact the Los Angeles Police Department, West Valley Division, at (818)374-7611 to report the student as missing.

The Administrator/Registrar (or designee), after police notification and no later than 24 hours after determining the residential student is missing, will notify the missing student's emergency contact (notification may be made to more than one person depending on individual(s) student has listed). After the LAPD is notified, they will lead the search in finding the student, and the missing student's emergency contact information will be forwarded to them. The Financial Administrator (or designee) will stay in communication with the missing person's emergency contact, as a support.

## **Prevention of Sexual Assault, Harassment, Stalking, Domestic and Dating Violence**

### **Sexual Assault**

Sexual assault, including rape by an acquaintance or stranger, is prohibited by the school and the State of California. It is important to tell someone you trust when you have been sexually assaulted. (It is also important to preserve evidence for proof of a criminal offense.) Campus resources include the President, the faculty, and the staff. The school will assist in notifying the local law enforcement authorities, if requested. Violators of this policy will be subject to disciplinary measures, including dismissal, following a final determination by a school disciplinary proceeding and the President. The accuser and the accused are both entitled to have others present during the disciplinary proceedings. The victim will be informed of the school's final determination and any sanctions that are imposed against the accused, although this information may not be disclosed to the public in general.

### **Sexual Harassment**

LAAFA is unequivocally committed to extolling the worth of all people in the school community. We consider all expressions of sexual harassment as threats to the concept of community that we are striving to create; further, we deplore any acts of harassment pertaining to race, religion, gender, sexual orientation, disability, ethnic or cultural origins, or age.

1. The above statement is school Policy and is stated in published materials to the school community of Los Angeles Academy of Figurative Art.
2. Charges brought against an individual or group, filed in writing, will be investigated promptly by the President.

Anyone with knowledge about a sexual assault or sexual harassment is encouraged to report it immediately to one of LAAFA's CSA's. Sexual assault and harassment prevention policy is maintained by the Financial Administrator.

Victims of sexual assault are highly encouraged to seek assistance and support. Please visit [www.safela.org](http://www.safela.org) to locate any assistance you might need. You can also contact the following numbers for assistance:

### **Confidentiality and Reporting Sexual Misconduct**

College officials, depending on their roles at the college, have varying reporting responsibilities and abilities to maintain confidentiality. To make informed choices, one should be aware of confidentiality and mandatory reporting requirements when consulting campus resources. On campus, some resources may maintain

confidentiality, offering options and advice without any obligation to inform an outside agency or individual unless you have requested information to be shared. Other resources exist for you to report crimes and policy violations, and these resources will act when you report the victimization to them. Most resources on Campus fall in the middle of these two extremes; neither the college nor the law requires them to divulge confidential information that is shared with them, except in rare circumstances. The following describes the two reporting options at our school:

1. **Confidential Reporting:** If you would like the details of an incident to be kept confidential, you may speak with the Financial Administrator, Off-campus rape crisis resources, or off-campus clergy/chaplains who will maintain their confidentiality. If you need access to a confidential Psychological Counselor, please contact the Administration.
2. **Formal Reporting Options:** You are encouraged to speak to college officials, such as the Financial Administrator or the Registrar to make Formal reports of incidents of sexual misconduct. You have the right, and can expect, to have incidents of sexual misconduct taken seriously by the college when formally reported, and to have those incidents investigated and properly resolved through administrative procedures. Formal reporting still affords privacy to the reporter, and only a small group of officials who need to know will be told. Information will be shared as necessary with investigators, witnesses, and the responding party. The circle of people with this knowledge will be kept as tight as possible to preserve your rights and privacy.

### **Confidential Reporting with Respect to Pastoral and Professional Counselors**

If the student is a victim of a crime or reports a crime, the staff will refer that student to the Financial Administrator, Registrar and/or the local police. In addition, the staff member will provide students the option of filling out a release form that gives permission for the staff member to speak to the Financial Aid Administrator or Registrar.

LAAFA also offers the following resources to the students and staff in the event of emergency:

- |  |               |
|--|---------------|
| • California Department of Public Health           | (916)558-1784 |
| • Los Angeles County Alcohol/Drug Program Helpline | (844)804-7500 |
| • LA County Dept. of Mental Health                 | (800)854-7771 |
| • National Suicide Prevention Lifeline             | 988           |

Additionally, if you need immediate assistance or paramedic assistance, call 911. Prompt reporting will ensure timely warning notices on campus.

### **Timely Warnings and Emergency Notification**

The Clery Act requires colleges to issue a "timely warning" to the campus community regarding any Clery Act crime that is reported to the Administration, or local law enforcement, if they notify the school; occurs within the school's Clery geography and patrol area; and is deemed to represent a serious or continuing threat to the college community.

## **Timely Warnings**

If a situation arises, either on or off campus, that in the judgment of the Administration, constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through email to students, faculty, and staff. Anyone with information warranting a timely warning should report the circumstance to the administration by phone at (818)708-9232, or in person in the administration office or the library.

## **Emergency Notification**

LAAFA has implemented a LAAFA Alert System which will call and/or text message students, staff, and faculty in an emergency on campus or in the surrounding area.

**Students:** During registration each quarter, students can input contact information for the LAAFA Alert System.

**Staff and Faculty:** All faculty and staff are asked to provide their emergency notification and emergency contact information when first hired. They are also asked to update their information at any time during the year as information changes.

## **Emergency Plan – Fire Prevention**

- Smoking is prohibited at LAAFA – No smoking is allowed inside the building or on campus property.
- Do not empty anything hot in wastebaskets that contain paper or other flammable material.
- Unplug all electrical equipment that is not working properly or needs repair. Notify the Administration Office immediately.

**Procedure:** Upon hearing the alarm sound, students are required to exit the building immediately. Do not pack up items. Students should quietly exit the building from the closest exit and proceed to the parking lot. Faculty should exit the classrooms and studios last and close the doors. Faculty, staff, and students should remain in the parking lot until a member of senior management, or the fire marshal allows everyone to return to the building.

## **Emergency Plan – Earthquake**

Earthquakes strike without warning, and you may have only seconds to react. Intensity can range from slight tremors to great shocks. Your first concern should be shielding yourself from falling debris and objects.

- Do not evacuate the building until evacuation routes have been checked and are determined to be safe.
- Turn off all electrical equipment.
- Once outside, go to the parking lot at the back of the building away from all structures.
- Do not run.
- Wait for instructions from management in the event of extended power failure.

DON'T:

- Use telephones.
- Use elevators.
- Reach in a manner that may cause undue alarm or panic.
- Stand near windows.
- Use matches if power fails.
- If you feel the need to leave the building, please do not leave the premises. We will want to account for everyone.

Inform the Administration Office of injuries so first aid can be administered. First Aid supply kit is in the lounge in the cupboard under the coffee machine.
